Forecast for Monday 18 Jul 2022

Weather: Dry throughout. Early low cloud on western and northern low ground quickly clearing. Long spells of sunshine, but some patchy high-based cloud later in the afternoon and evening.

Chance of cloud-free hill tops above 700m: 100%

Low cloud and visibility: Possibility of shallow low cloud below 400m in west and north for a short time in morning, which would bring poor visibility, otherwise no low cloud and good visibility.
